**State Representative Kane Accepting Intern Applications for Summer 2015**

State Representative Hannah Kane has announced her Summer Internship Program and hopes to have three to four high school and/or college students from Shrewsbury and Westborough serve one day a week each in her Boston office at the Massachusetts State House. Applicants should demonstrate an interest in government and public service and be eager and enthusiastic to aid Representative Kane's office in constituent services, administrative tasks and possibly policy research. This is a great opportunity for students to gain a better understanding of the legislative process and the day to day responsibilities of a State Representative. The tentative start date for this internship is June 22nd. Resumés and cover letters can be emailed directly to Representative Kane's aide Charlyce Bozzello at [charlyce.bozzello@mahouse.gov](mailto:charlyce.bozzello@mahouse.gov). Students interested are asked to respond by Monday, June 8<sup>th</sup>. Representative Kane looks forward to hearing from applicants and is excited for accepted interns to begin what is sure to be an engaging and educational summer experience.
